G.O. (Ms) No. 1006 Fin. Dated, the 16th December 1947

READ - the following:

From the Government of India, Office Memorandum No. F.43(46)-Est.V/47 dated the 20th November 1947.

Subject: Grant of advances to Government servants, who have lost their personal effects during transfer from West Pakistan to India, to enable them to re-quip themselves.

The Government of India have had under consideration the question of granting some relief to Central Government servants stationed in West Pakistan who opted for service in India and have suffered loss of personal effects in the course of their evacuation from that area. They have, now edecided that the Head of the Department/Office administratively concerned with the Government servant may, in deserving cases, grant special advances upto three months pay (without allowances), subject to a maximum of Rs. 2,500 to enable Government servants to provide themselves with personal equipment essential for their duties as Government servants. These advances will be interest-free and will be recoverable in not more than 36 monthly instalments, beginning with the month following that in which the advance is drawn. In cases where an advance of pay on transfer has already been drawn, the recovery will commence from the month following that in which such advance is fully recovered. Advances to temporary Government servants may also be granted against a personal security of some permanent Government servant.

This concession will also be admissible to Provincial Government servants who have come as refugees from areas in West Pakistan and have subsequently been employed under the Central Government.
